

WE INVITE YOU TO EXPERIENCE

Wandering in nature.

Immersing in comfort.

LEO VILLAGE, PÙ LUÔNG WARD, THANH HOA PROVINCE

◆ DISCOVER

Pù Luông

Four hours from Hanoi, a landscape unchanged by time

Nestled in northwest Thanh Hóa, Pù Luông is a landscape of old-growth forest, limestone ridges, and terraced valleys – four to five hours from Hanoi, yet a world apart.

Pù Luông has kept its own pace. Stilted houses, narrow paths, and local markets remain part of daily life for the Thai communities who have long called this valley home.

A place to rest and move slowly – among the forest, the light, and the quiet rhythms of mountain life.

An entirely private performance, staged in your own space, that turns an ordinary evening into something luminous.
